

El lenguaje visual como herramienta para movilizar equipos

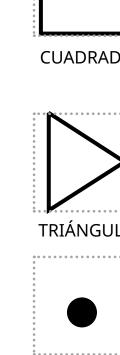

# Tu Lenguaje Wisual

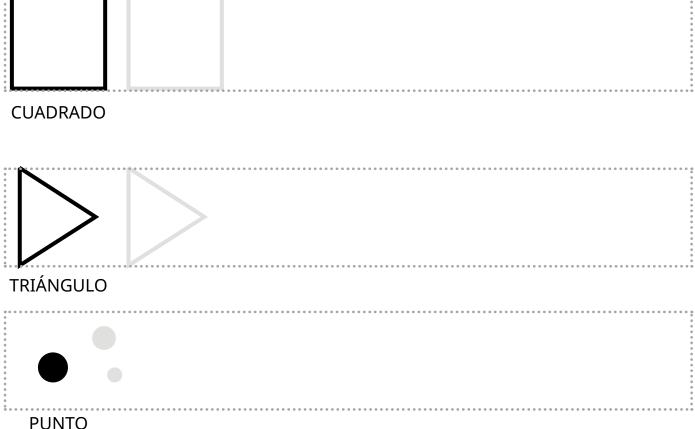

# Todas las Personas SABEMOS

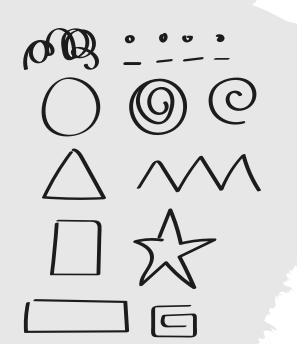

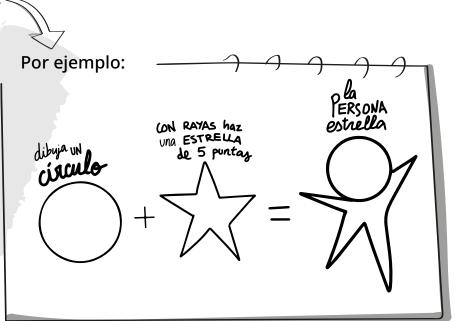

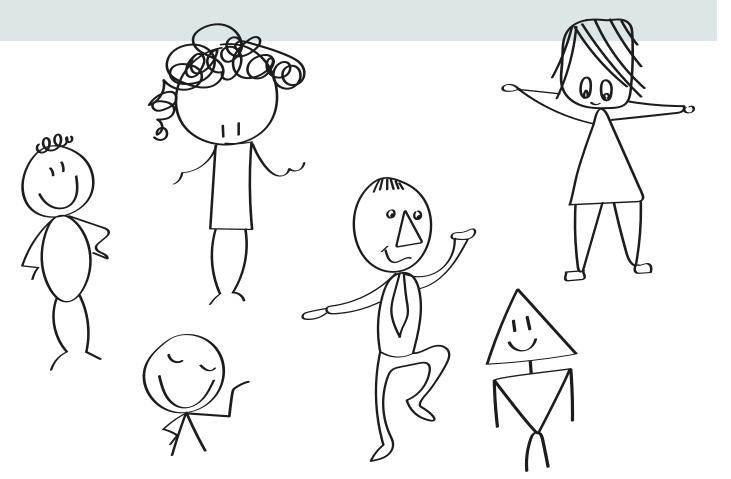

## PERSONAS

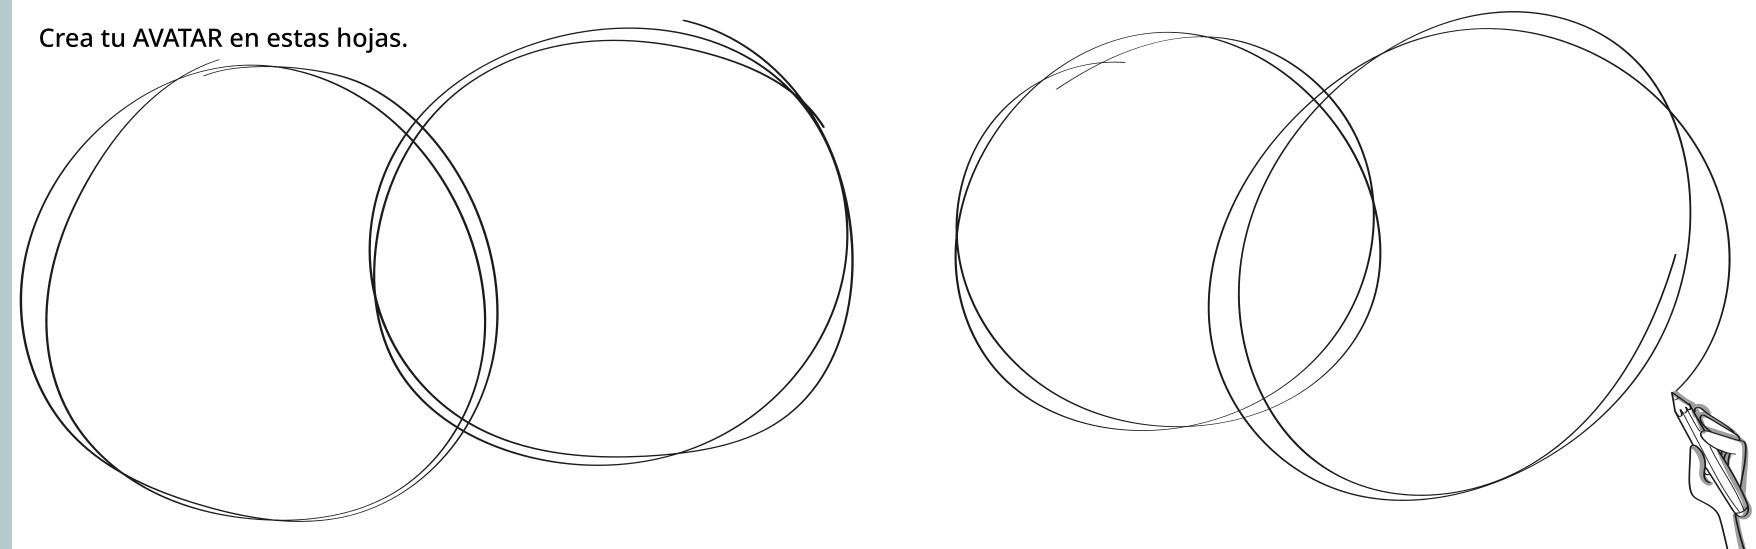

Crea personas usando formas básicas.

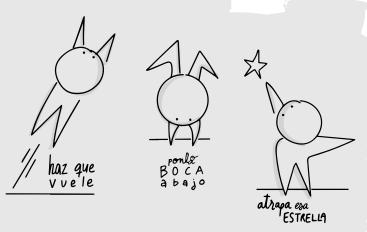

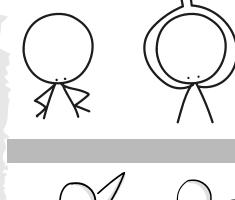

#### Puedes crear tu AVATAR combinando estos elementos

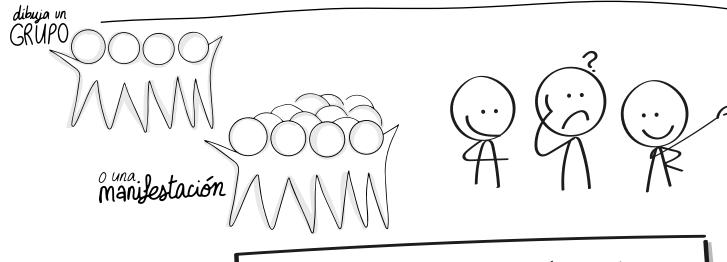

#### Busca la FORMA, lo que quieras EXPRESAR.

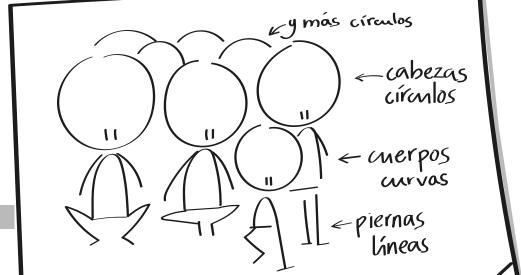

¿Cómo soy? ¿Cómo somos?

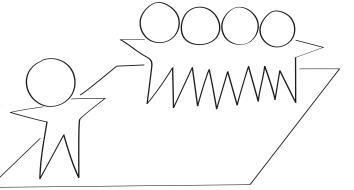

ACTIVA TU LENGUAJE VISUAL

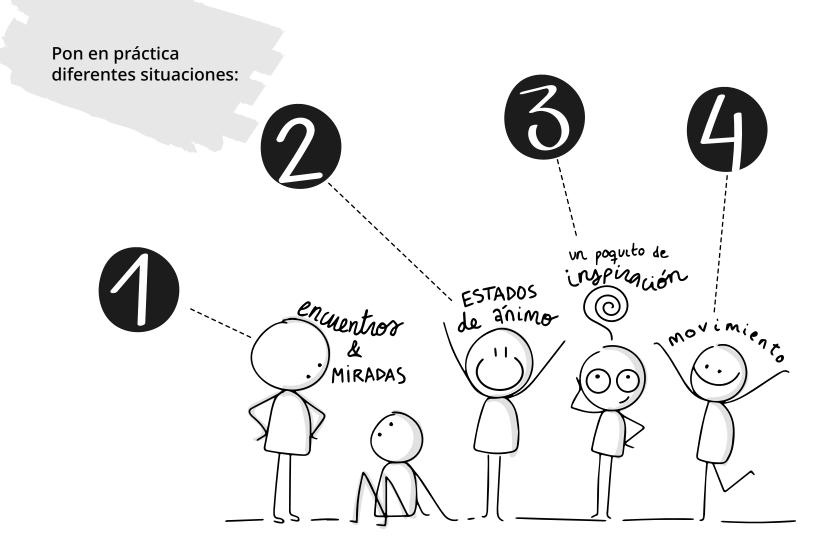

#### Juega con la INTERACCIÓN y la RELACIÓN.

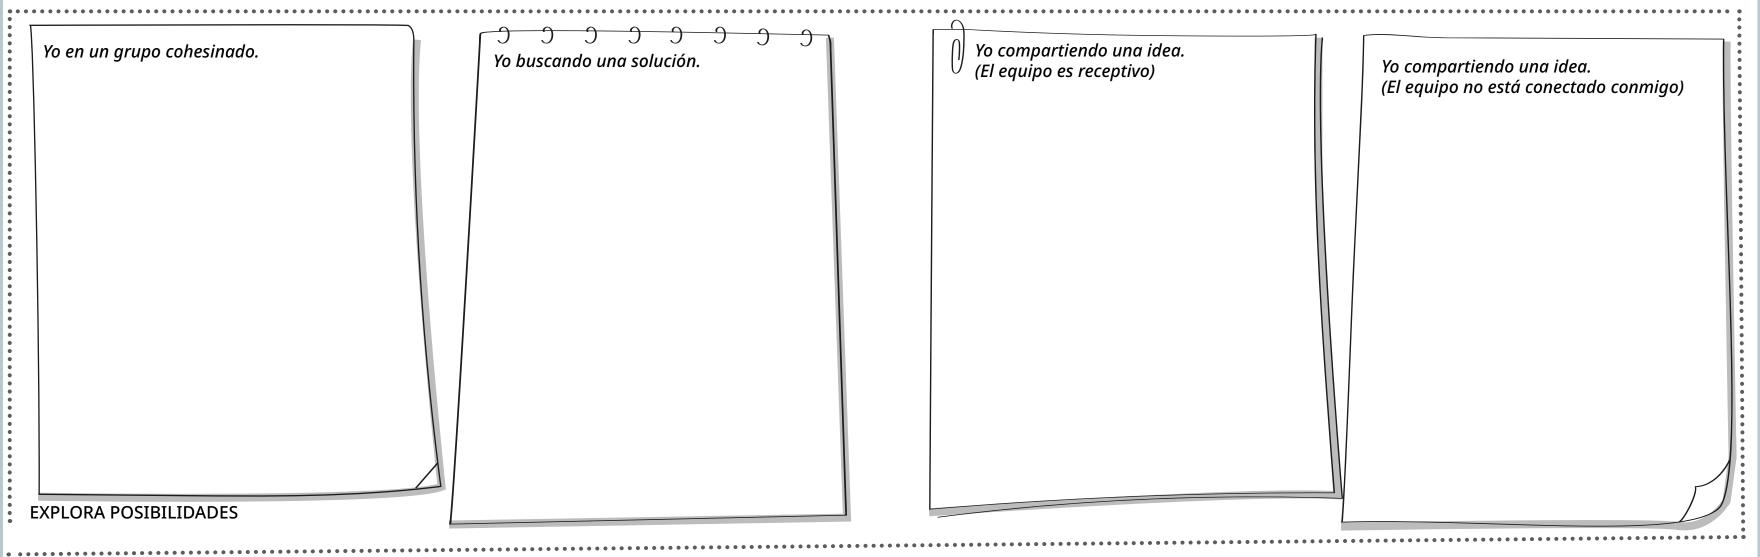

Compartimos un espacio común

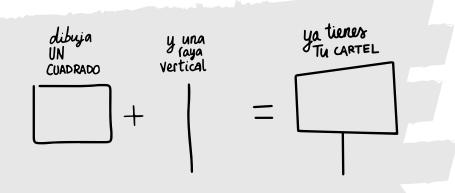

Y explora las posibilidades para crear distintos grupos interactuando.

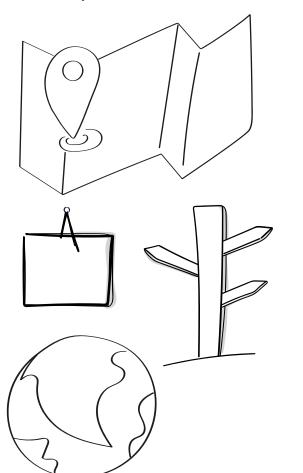

Y estamos en LUGARES Y un ESPACIO determinado.

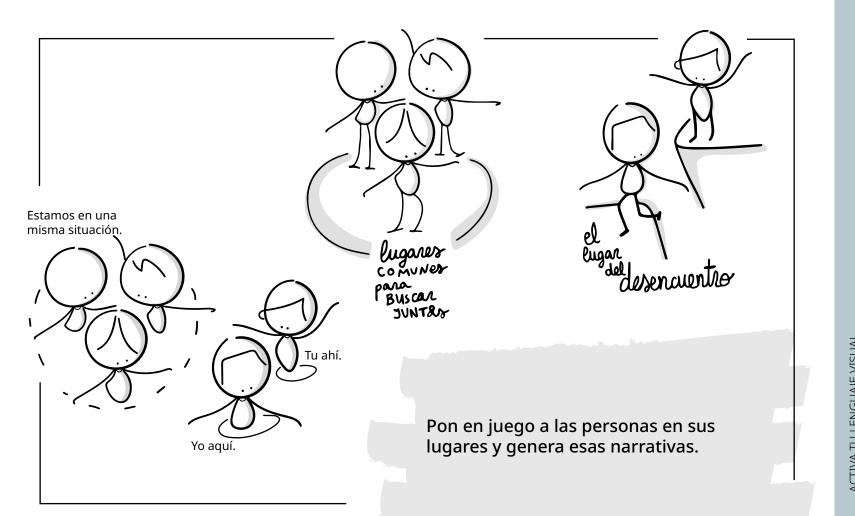

Nos situamos en un lugar, te muestro opciones para representar estas situaciones.

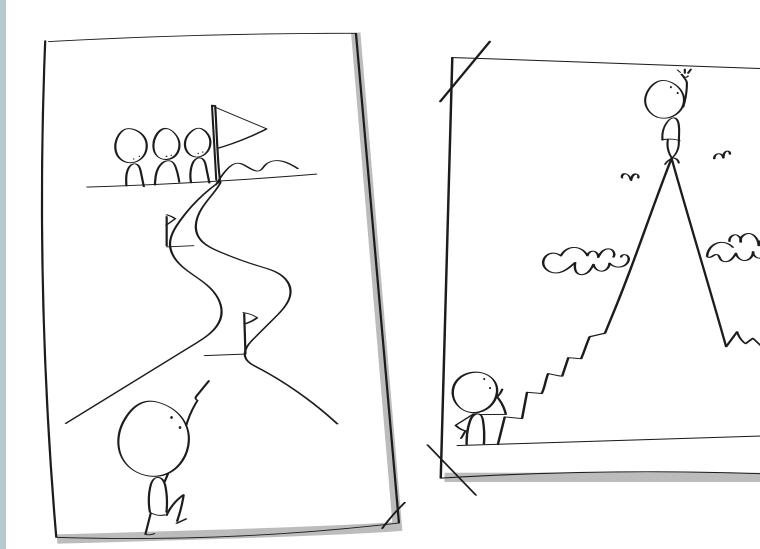

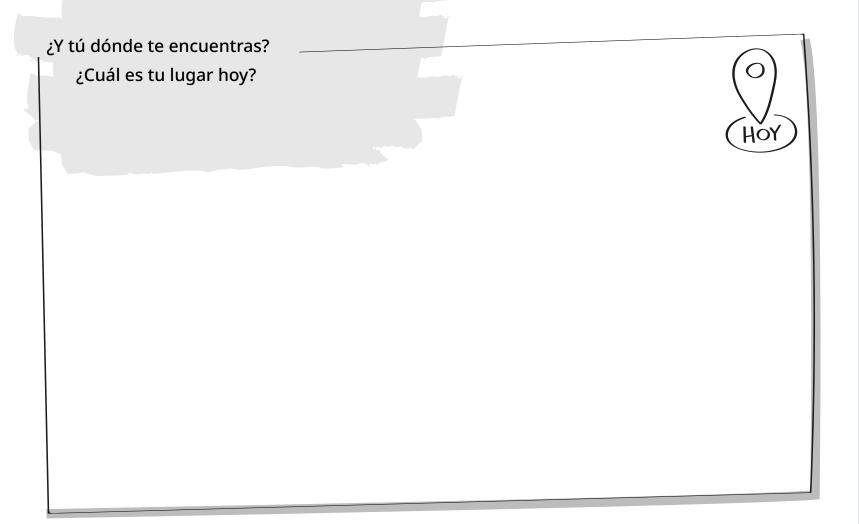

La forma básica para visualizar un lugar.

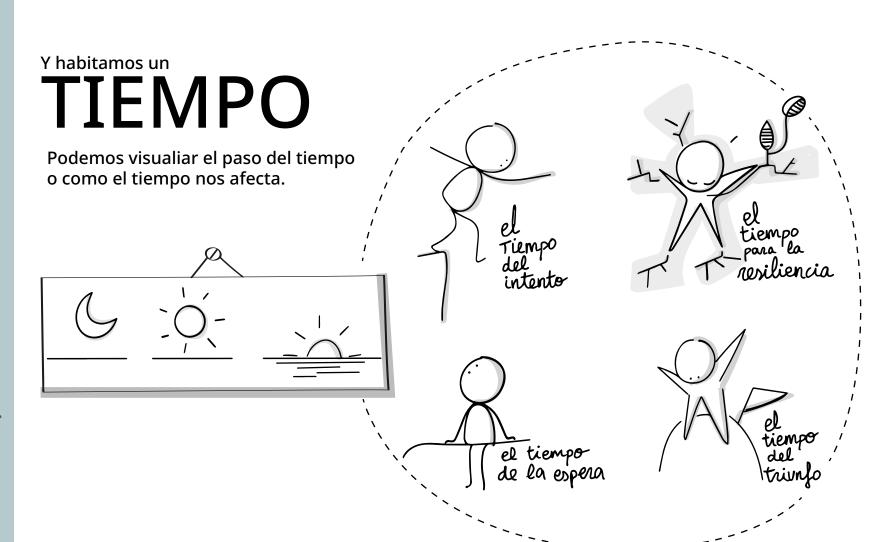

Y otras posibilidades...

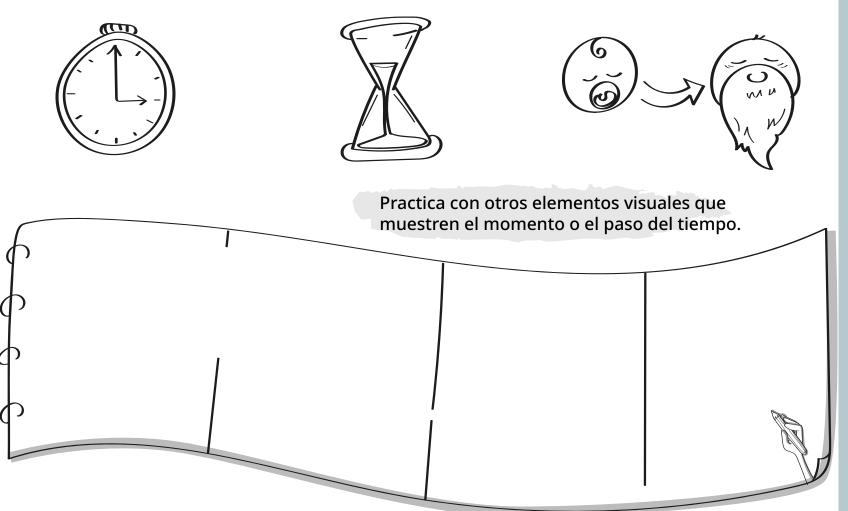

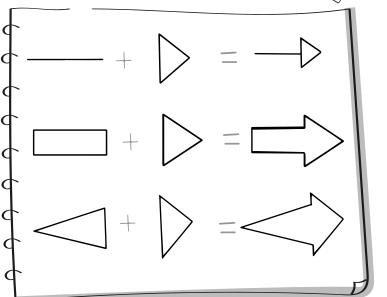

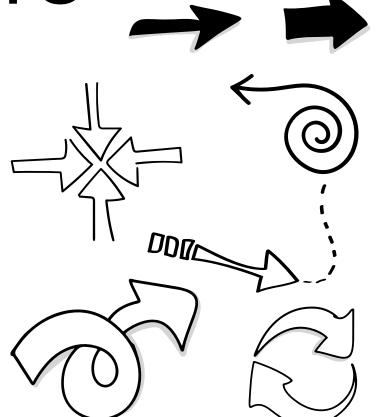

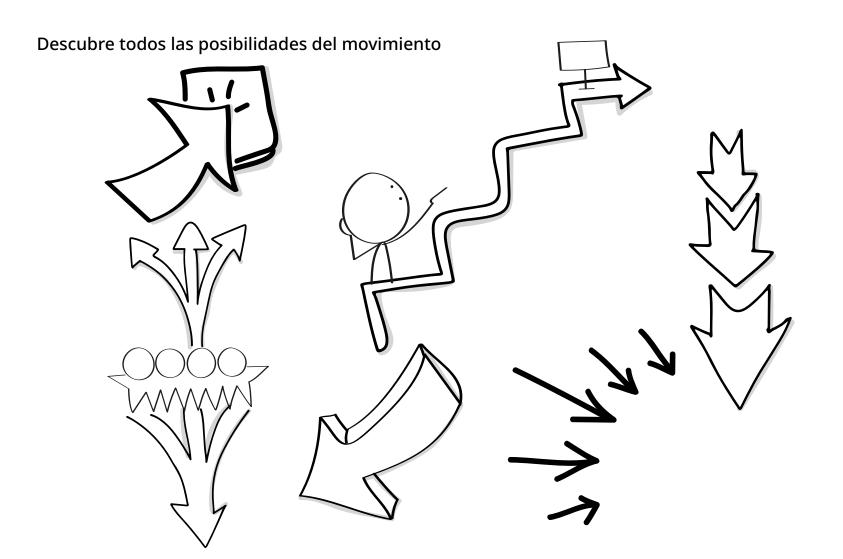

## MOVIMIENTO

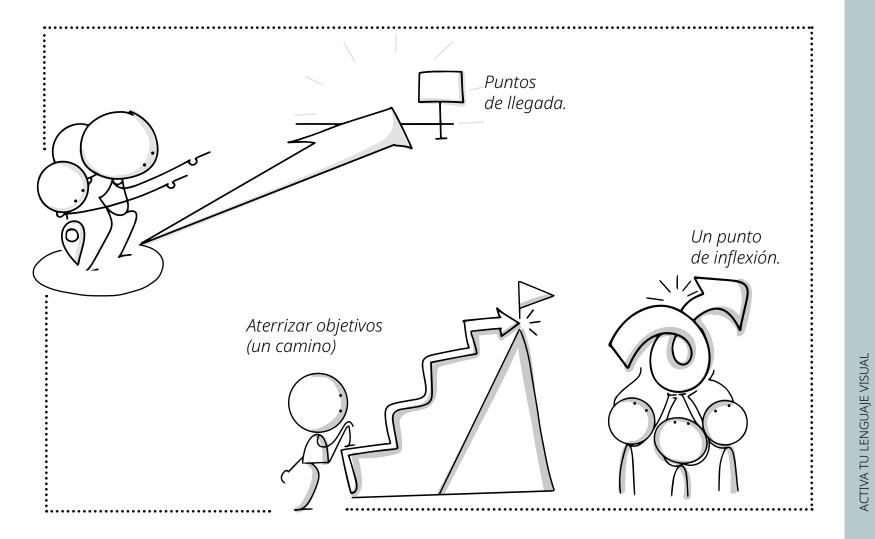

Tenemos muchas formas de expresar el movimiento. La figura base: la fecha.

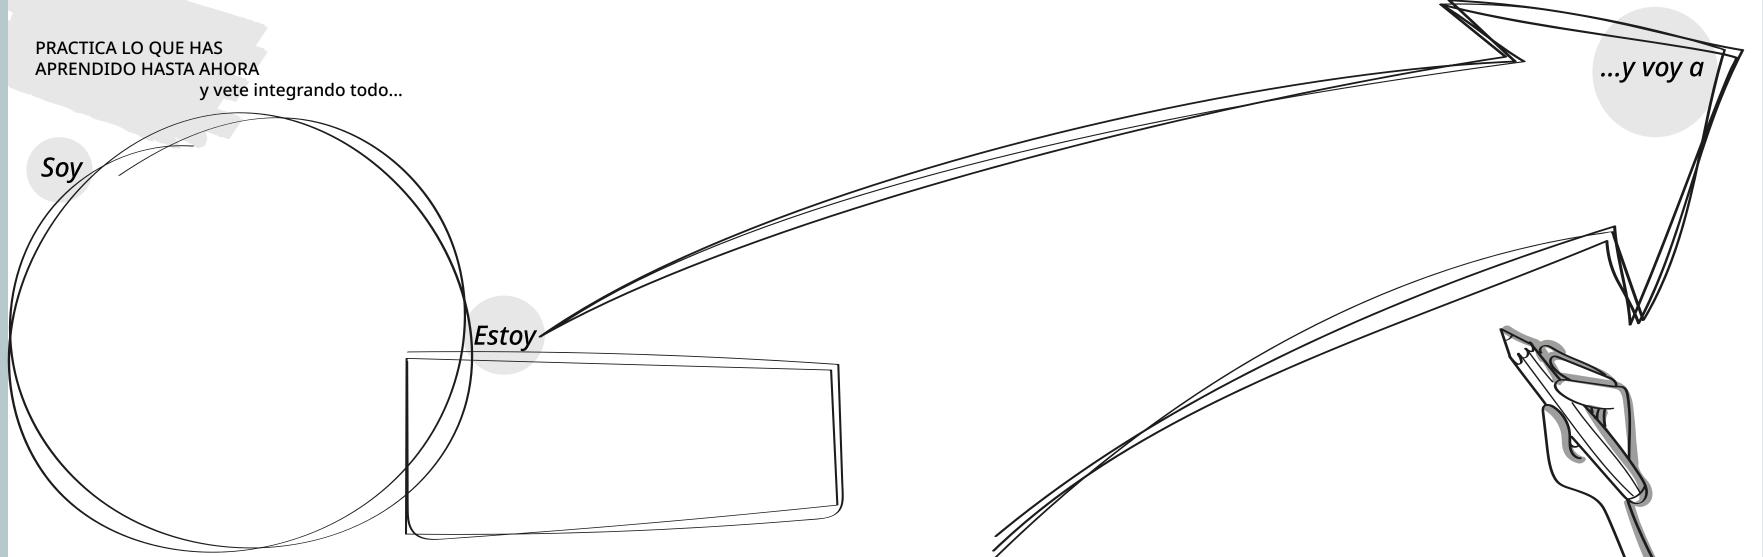

## CONTINENTE

El recurso básico es el bocadillo.

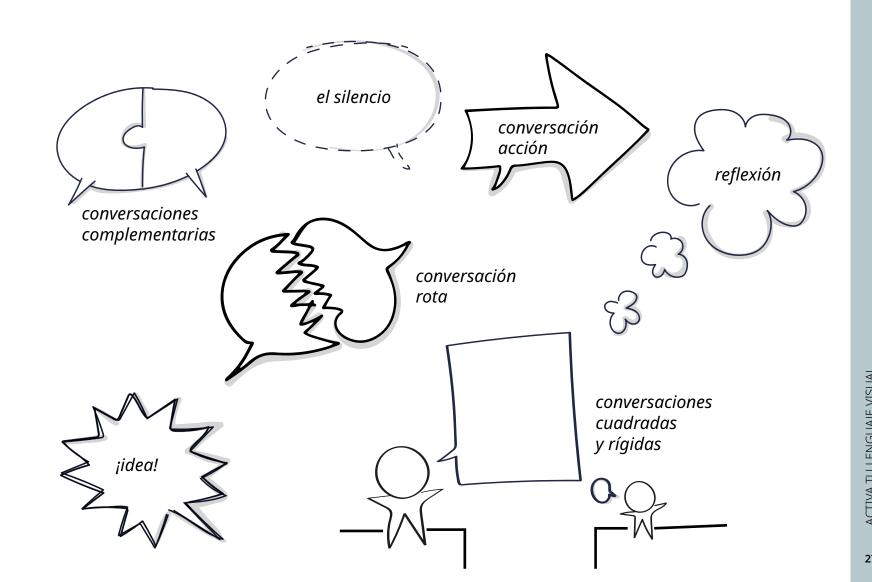

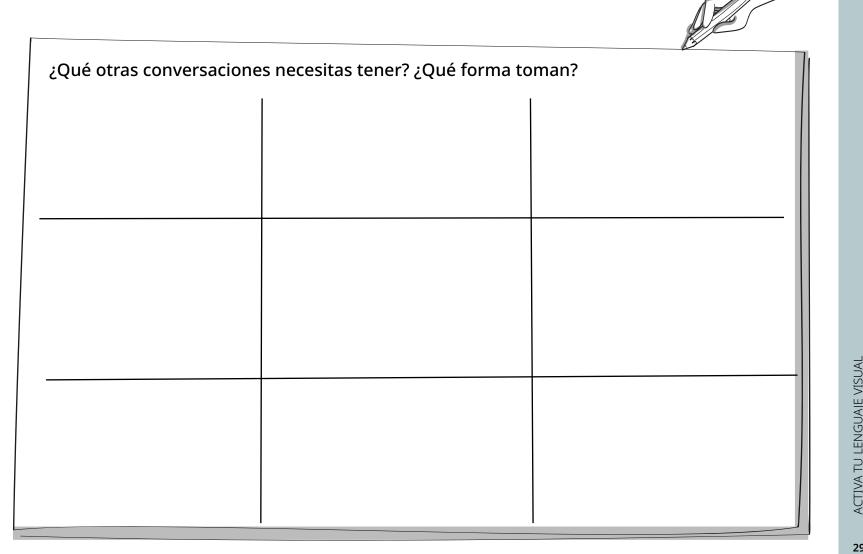

...y desde ahí

conversaciones que se encuentran

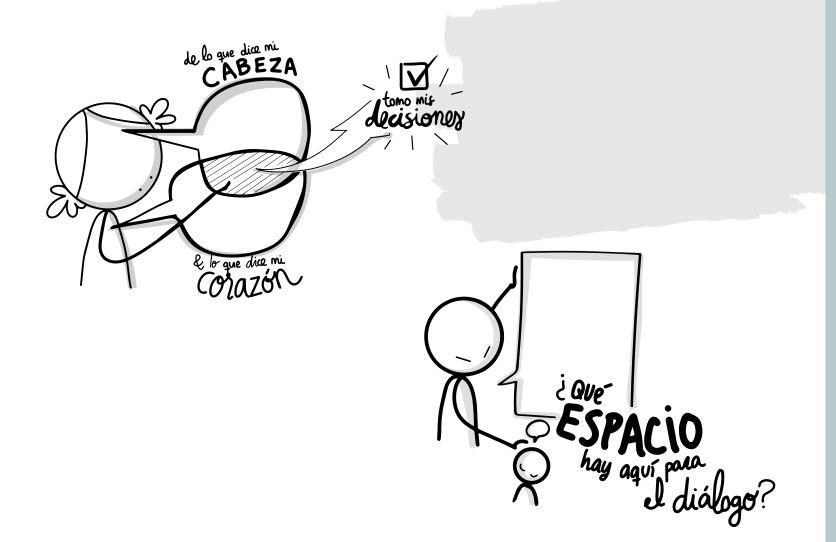

## CONTENIDO

Las palabras nos ayudar a crear y dar sentido.

Porque... es muy\_
